Airey Scott Mag Lock Installation

To whom it may concern,

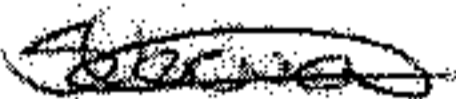

We would like to take this opportunity to thank you for going above and beyond in getting our Mag Lock Installation done on our Door at our new offices.

As explained to Olivia, we were in dire need of this system for security measures. From the time of the original quote request to the time of the installation and the call back on the system – all your staff went above and beyond in ensuring that this was done – even leaving a current job to get to us and install it asap.

You have taken service levels to the next level and we commend you and your staff for all your valuable assistance in sorting this out.

Thank you again

Kindest regards

Sarah Vernon
(on behalf of Airey Scott CC)
