

Hi There Lauren,

I was going to send you an email earlier this morning but caught up with some urgent matters at work.

I would like to extend my sincere appreciation to the team that fitted the new automation to the gate – my wife and tenant sang the workers praises for their professional approach regarding their manners, courtesy and cleaning up with causing minimal fuss in the process.

The gate is working like an absolute dream, and real professional look.

Greg Dry referred me to you guys based on your professionalism, and I will do the very same thing in future to whoever asks.

Please extend this to the working team who were there on the day!

Kind regards,

Brad.
