

Thank You,

Gate and Door.

Thanks very much for the very precise, neat and lovely job you did at our house, 62 Ellis Park Drive. We think it looks great and it's exactly what we wanted. With quite a few renovations done to our place over the last 3 years, with all the teams we have had, it was a pleasure, and a surprise, to see people take pride in their work, do a job properly and leave our home in a neat state behind them.

Thanks so much!

Taryn & Gary
